Portal Access

1.1 Secure Sign-In Procedure

The image shows a web-based login interface for the TMI (Uganda Management Institute) Supervisor Portal. At the top center is the TMI logo with the text 'UGANDA MANAGEMENT INSTITUTE' underneath. Below the logo is a light blue button labeled 'Supervisor Portal'. The main login form is a white card with a blue border. It has a title 'Login' in bold. Below the title are two input fields: 'Email' and 'Password'. The 'Password' field has a small eye icon to its right. Below the 'Email' field is a checkbox labeled 'Remember me'. To the right of the checkbox is a link labeled 'Forgot password?'. At the bottom of the form is a blue button labeled 'Login'. In the bottom right corner of the entire page, there is a small blue circular icon with a white document symbol.

The Sign-In interface provides a secure gateway for supervisors to access their DRIMS account.

To log into your account:

1. **Access the Portal:** Navigate to the designated DRIMS Staff Portal web address via your desktop or installed desktop app.
2. **Enter Username:** Input your verified email into the provided text field.
3. **Enter Password:** Type your confidential security code into the Password field. You can click the visibility icon (eye symbol) to reveal or conceal the characters to minimize entry errors.
4. **Session Management:** Check the “Remember me” box if you are logging in from a secure, personal device to streamline your subsequent web sessions.
5. **To Complete Login:** Click the blue “Sign In” button to authenticate and load your central supervisor dashboard workspace.

Central Dashboard

The Dashboard serves as the central hub for your entire supervisory workflow and pending academic commitments.

2.1 Interface Breakdown

- **Workload Metric Summaries:** Located at the top of your primary workspace layout, these numerical indicators provide real-time counts of your **Assigned Students**, those in Normal Progress, and under examination.
- **Recent Assigned Ledger:** A dedicated live table listing students assigned to you.
- **Recent Messages Panel:** A quick-glance portal block summarizing the newest incoming Direct messages or queries received directly from your candidates.
- **Global Navigation Sidebar:** Located persistently on the left-hand side, allowing traversal between Dashboard, Student Management, Documents, Appointments, Grades, Direct Messages, and Settings modules.

Selecting **Student Management** from your navigation sidebar brings up your oversight directory.

3.1 Assigned Students Directory

- **Candidate Roster Table:** Displays a complete index of all postgraduate students officially assigned to you by the UMI Research Center, including their unique Registration Number, Full Name, registered Cohort, and current active Milestone Stage.
- **Contextual Data Filtering:** Use the interactive top search field to isolate students by name.

Clicking the **Open** button next to any candidate in your directory launches their comprehensive, multi-tab structural tracking profile:

- **Overview Tab:** Houses read-only student bio-data, department info, overall project focus area, and a progress percentage wheel mapping completed benchmarks.
- **Research Timeline Tab:** Maps out the macro trajectory of the student's postgraduate journey from admission to viva defense via color-coded, administrative block indicators.

3.3 Academic Research Progress Sub-Tabs

At the bottom of the student profile page is a dedicated sub-tab for managing research histories.

As shown in the image above is a chronologically organized ledger documenting status updates and formal approval milestones achieved during their candidacy.

B. Proposal Tab

Status Action TrackerProposalDissertation

Proposal Not Submitted

As mapped, this tab tracks their initial proposal submission. If no documents have been submitted to the school admins, the area displays a placeholder message: “Proposal Not Submitted”.

C. Dissertation Tab

Status Action TrackerProposalDissertation

No Book Grades Available

As mapped, this tab tracks final dissertation milestones. It displays a placeholder message, “No Book Grades Available,” until books are submitted to the UMI Research Center.

Communication & Appointment Tools

4.1 Integrated Direct Messaging System

Important Rule: Direct messaging inside the platform is strictly confidential and restricted exclusively between the assigned Supervisor and their specific research student.

- **Conversation Thread Management:** The interface splits into a contact scroll panel on the left and an active dialogue container on the right.
- **Initiating a Conversation:** Click the vibrant blue New Message button to start a conversation.
- **Contact Sorting:** Use the integrated context Find a DM, by Name search box to quickly filter through your open conversation logs.

4.2 Consultation Scheduling

Clicking **Appointments** from the navigation sidebar opens your interactive calendar management interface to arrange and track consultation sessions.

To handle a student request:

From the **Upcoming Appointments** tab, you can review entries placed by candidates.

To set up a new appointment slot:

1. Click the **Availability settings** tab.
2. Configure the **Date**, **Start Time**, and **End Time** slots using the picker arrays.
3. Select the maximum number of **Students** you can accommodate or meet within that specific duration.
4. Click the **Add Slot** action button to post the available time blocks, allowing students to instantly view and book them through their portal.

Document Management & Milestone Tracking

5.1 Reviewing Student Submissions

The **Documents** workspace functions as a version-controlled, auditable repository for drafts, proposals, and final works.

To review an active submission:

1. **Select the student:** Isolate the candidate from your list of students.
2. **Locate student entries:** Browse the files area detailing the specific document category under evaluation (e.g., *Proposals*, *Dissertation*, *Chapter*).

3. **Access File:** Click **Download** or select **Open Review** to launch the file viewer window.
4. **Add a Review:** Use the **Add Another Review** button to create a review request, attach your file, and enter your **Remarks** in the comment area before hitting **Upload Review**.

5.2 Reviewing Academic Grades

The **Grades** module provides you with a read-only preview of your students' grades to audit final evaluation outcomes issued by the Research Center.

To monitor a candidate's formal evaluation status:

1. Navigate to the **Grades** segment from your global navigation menu.
2. Use the search parameters to locate the designated student file.
3. **Review Book Grades & Milestone Marks:** View official grades populated directly by the UMI Research Center following proposal defenses or final viva voce phases.

5.3 Account Settings

Selecting **Settings** from the lower region of your menu panel presents your core profile adjustments and account preferences.

- **Profile Customization Sub-Tab:** Allows editing of your profile display titles, office telephone lines, academic room numbers, and primary research specialization focus tags.
- **Security Panel:** Features input fields to change your password by inputting your current code, followed by confirming your new secure credential entry. Click **Update Password** to finish.
